Doomadgee State School

Bulaga Juruwa (Bullock Dust)

We have chosen to create a rodeo inspired outfit featuring diamantes, denim, and fringe. Every year, Doomadgee hosts the Doomadgee Rodeo, a very special event for our community. It brings us all together and gives us the opportunity to support and encourage one another.

Rodeos have been celebrated in our community for many years and are a tradition passed down through generations. Fashion is a huge part of rodeo culture. When the rodeo is on, we wear our best cowboy hats and boots, and the chaps we wear are often passed down through family generations.

When designing our creation, we drew inspiration from the sun and the Doomadgee rodeo grounds when selecting the colours and placing the diamantes. We hope you enjoy our project. We had a lot of fun creating it and representing this important part of our culture.

Bulaga Juruwa (Bullock Dust) 2026

Denim, rhinestones, t-shirt, hat and boots.
