

Teacher notes	<h1>Investigating Insects</h1> <p>Prep - 5</p>
----------------------	--

Australian Curriculum links

Foundation Science	
Science Understanding	
Biological sciences	Living things have basic needs, including food and water (ACSSU002)
Physical sciences	The way objects move depends on a variety of factors, including their size and shape (ACSSU005)
Science as a Human Endeavour	
Nature and development of science	Science involves exploring and observing the world using the senses (ACSHE013)
Science Inquiry Skills	
Planning and conducting	Explore and make observations by using the senses (AC SIS011)
Communicating	Share observations and ideas (AC SIS012)

Year 1 Science	
Science Understanding	
Biological Sciences	Living things have a variety of external features (ACSSU017)
Science Inquiry Skills	
Evaluating	Compare observations with those of others (AC SIS213)
Planning and conducting	Participate in different types of guided investigations to explore and answer questions, such as manipulating materials, testing ideas, and accessing information sources (AC SIS025)
Processing and analysing data and information	Use a range of methods to sort information, including drawings and provided tables (AC SIS027)

Year 2 Science	
Science Understanding	
Biological sciences	Living things grow, change and have offspring similar to themselves (ACSSU030)

Science Inquiry Skills	
Planning and conducting	Participate in different types of guided investigations to explore and answer questions, such as manipulating materials, testing ideas and accessing information sources (AC SIS038)
Evaluating	Compare observations with those of others (AC SIS041)
Communicating	Represent and communicate observations and ideas in a variety of ways such as oral and written language, drawing and role play (AC SIS042)

Year 3 Science	
Science Understanding	
Biological Sciences	Living things can be grouped on the basis of observable features and can be distinguished from non-living things (AC SSU044)

Year 4 Science	
Science Understanding	
Biological Sciences	Living things have life cycles (AC SSU072)

Year 5 Science	
Science Understanding	
Biological Sciences	Living things have structural features and adaptations that help them to survive in their environment (AC SSU043)
